Recording Workshop CORE Recording Engineering & Music Productio 180 hours (105 hours Studio + 75 hours Lecture)	Date Completed: n Program	<i>10/15/1993</i> Po	ssible Score	Student Score
180 hours (105 hours Studio + 75 hours Lecture) Written Testing	_	Quiz Midterm Final	40 100 100	23.0 70.0 70.0
Quiz is the the total of three weekly guizzes, that together are worth 2.5% o	f Overall	Signal Flow	20	10.0
Evaluation Score. The Midterm and Final tests are worth 10% and 20% of 0	Overall Evaluation	Mixing	10	10.0
Score.		Pro Tools/Edit		56.0
Practical Skill Testing		Soldering	10	10.0
These practical skill tests are given during the final week of training. Each is	s worth 5% of			
Overall Evaluation Score, except Soldering which is worth 2.5%		Comprehension		4.8
Subjective Observation		Operation	7	4.9
Instructors keep logs on how a student handles studio session activities. The		Social	7	4.8
weighted in accordance with scoring habits, and is averaged among all inst	ructors. The	Responsibility	7	4.7
categories of Comprehension and Operation are each worth 7.5% of Overa	ll Score. The rest	Dedication	7	4.7
are worth 5% each, except Composite, which is worth 20%. A score of 4 is	considered	Composite	7	4.8
average. Overall Evaluation Score This is the weighted combination of all the preceding scores.		Overall	100	81.4

Recording Workshop MAINTENANCE & Studio Troubleshooting Program	Date Completed:		ssible Score	Student Score
38 hours (22 hours Studio + 16 hours Lecture)		Assignment 1	10	4.0
,		Assignment 2		7.0
		Assignment 3	10	7.0
Study Assignments		Assignment 4	10	7.0
Theré are four graded homework assignments to reinforce lecture topics. Final Test		Final	60	45.0
A written test is presented over the lectures topics. Overall Evaluation Score This is a weighted combination of the preceding scores.		Overall	100	70.0
This is a weighted combination of the preceding scores.				

Recording Workshop ADVANCED Date Completed: 10/2 Recording Engineering & Music Production Program 57 hours (All 57 hours Studio)		sible Score	Student Score
57 hours (All 57 hours Studio)	Comprehension Operation	7 7	4.9 4.7
Subjective Observation Instructors keep logs on how a student handles studio session activities. This data is weighted in accordance with scoring habits, and is averaged among all instructors. The categories of Comprehension and Operation are each worth 15% of Overall Score. The rest are worth 10% each, except Composite, which is worth 40%	Social Responsibility Dedication	7 7 7 7	4.9 4.9 5.1 4.9
A score of 4 is considered average. Overall Evaluation Score This is the weighted combination of all the preceding scores.	Overall	100	89.9

Recording Workshop NEWTECH Computer-based Audio Production Progra	Date Completed: 11/5/1		sible Score	Student Score
Computer-based Audio Production Progra 36 hours (30 hours Studio + 6 hours Lecture)		Comprehension Operation Social	7	4.8 4.9 4.8
Subjective Observation Instructors keep logs on how a student handles studio session activities. This data is weighted in accordance with scoring habits, and is averaged among all instructors. The categories of Comprehension and Operation are each worth 15% of Overall Score. The rest are worth 10% each, except Composite, which is worth 40%.		Responsibility Dedication Composite	7 7 7 7	4.6 4.7 4.7 4.8
A score of 4 is considered average. Overall Evaluation Score This is the weighted combination of all the preceding scores.	Composite, What is worth 40%.	Overall	100	88.6
